Define Problem Statements (Customer Problem Statement Template)

Create a problem statement to understand the customer's point of view. The statement focuses on what matters to the customer and the challenge they face while using or understanding a legal document.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A person dealing with a legal document.	Understand the document and identify important terms.	Legal documents are often difficult to understand and contain complex legal language.	The user may not have a legal background and may find it difficult to identify the important information.	Confused and unsure about the document.

Problem Context

LegalEase AI is intended to help users understand legal documents in simpler language, identify important terms or clauses, and reduce the difficulty of reading complex legal content.
